## Swiss Mountain Top

*Round trip travel from Mürren in the Bernese Oberland to the Schilthorn/Piz Gloria mountain top. This four-segment cable car ride forms the longest cable car system in the world!*

→ Valid from 01/01/2007 to 12/31/2007, subject to change

Features

- Round trip travel from Mürren to the Schilthorn/ Piz Gloria by cable car (travel into Mürren not covered by some railpasses; see below)
- As the longest aerial cableway in the Alps, the Schilthorn provides the most unimpeded panoramic views.
- Over 200 mountain peaks in a spectacular landscape are revealed as the world's first revolving mountaintop restaurant slowly turns.

The legendary "Martini, shaken not stirred" can be tasted at the James Bond Bar.

- For James Bond fans, the Schilthorn was transformed into the "Piz Gloria" for the filming of "On Her Majesty's Secret Service." Dramatic views of snow-covered mountain peaks and the modern aerial cableway gliding all the way to the mountain summit led United Artists to choose the Schilthorn.

## How to reach Mürren

From Interlaken, clients take the train to Lauterbrunnen, then there are two ways to reach Mürren:

1. From Lauterbrunnen, take the funicular to Grütschalp and from there the train to Mürren.
2. From Lauterbrunnen, take a postal bus to Stechelberg, then a cable car to Mürren. (Both rides take approximately half an hour.)

The Swiss Pass, Swiss Flexipass and Swiss Youth Pass are valid on the entire journey between Interlaken and Mürren (both 'via' options).

Passengers traveling on a Eurail Pass, a Switzerland 'n Austria Pass or a France 'n Switzerland Pass must purchase an additional ticket from Interlaken to Mürren.
